## About Us

Saroj Educational Group has a history of more than a decade in education excellence. It was established in 1997 as a single engineering college, and today it has converted into group (SEG), running in institutes at Aligarh (Shivdan Singh institute of technology & management, Aligarh established-1997) at Aligarh Mathura road, Aligarh, and at lucknow two institutes by the name of (Saroj Institute of technology & management, Lucknow established -2001 & Saroj institute of managment & technology, Lucknow established-2009) at sultanpur road lucknow.

Saroj Educational Group (SEG) has a rich history more than half a century, and was found to provide high quality education in the stream of engineering, pharmacy & management. All the Colleges of SEG are approved by AICTE & affiliated to University UPTU Lucknow. Saroj Educational Group Aligarh Campus – Shivdan Singh Institute of Technology and Management (SSITM) has its own spacious campus spread over an area of 45 acres of land. Its constructed area has three main portions - the Amenities Block, Academic and Administrative Blocks. These blocks are modern in design and are equipped with all necessary facilities essential for a good quality of life on campus. Though the SSITM campus is shared by the three distinct academic disciplines of Engineering, Pharmacy and Management, these disciplines and their accompanying infrastructure have a unique and independent identity within the campus. The...
