Shree Insupac

<https://www.indiamart.com/shree-insupac/>

Shree Insupac is a leading manufacturer of Expanded Polystyrene – EPS (commonly known as Thermocol) in Mumbai. We are among the top 3 EPS manufacturers in the Mumbai Metropolitan Region.

About Us

“Shree Insupac” is a proficient **Manufacturer and Supplier** of **Thermocol Packaging Products**. We offer **Thermocol Packaging Sheets, Component Packing Tray, Thermocol Packaging, Thermocol Abking Packaging, Thermocol Ice Box, Thermocol Packaging Material** and **Thermocol Packaging Blocks**. These packaging products are highly appreciated in the market for quality features such as durability, strength, eco-friendly & reliability. These qualitative packaging products are widely utilized in electrical, automobiles, food & beverage and pharmaceutical industry among others. Thermocol is based on cold insulation material, and it is used in cold storage refrigeration plants and air condition rooms. We are looking for the queries from **Mumbai & Maharashtra**. Our infrastructure facility comprises sophisticated machinery such as block molding machine and shape molding machine that aid us in delivering defect-free range of thermocol packaging products at our client's end. We have a team of proficient personnel, which aids us in fulfilling the specific packaging requirements of various industries. Owing to our positive and responsive attitude towards client's needs, we are able to earn the trust and goodwill of clients. Furthermore, we have an efficient logistic support which enables us to deliver products at the desired destination within the promised time...
