

Shree Krishna Electricals

<https://www.indiamart.com/shree-krishna-electricals/>

We are one of the leading **Manufacturers and Suppliers** of a wide range **Electrical Products**. These are manufactured using high grade raw material. We are looking for queries from **Eastern India**.

About Us

Established in the **1972**, **Shree Krishna Electricals** is one of the leading manufacturers and suppliers of a wide range of **electrical products**. Our range of products has found application in various industries. These are manufactured using high grade raw material procured from the reliable vendors of the industry. We are looking for queries from **Eastern India**. We are backed by sophisticated and well equipped state-of-the-art infrastructure. This infrastructure is built with all the advanced and modern machinery and equipment. Our manufacturing unit is facilitated with experienced professionals, who have in-depth domain expertise. This team is extremely dedicated and hard working and honest to their duty. Under the able guidance of our **Proprietor, Mr. Haresh Wadhvani**, we have achieved one of the most reputed positions in the industry. Because of his vast experience and in-depth process knowledge, we are capable of understanding the growing demands of our clientele. We ensure to deliver international quality standard products to satisfy our clients in every possible manner.
