

Shree Rushabh Traders

<https://www.indiamart.com/shree-rushabh-traders/>

We are one of the foremost exporters and Distributors of a wide range of **Measuring Instruments**. Our range is widely acclaimed for accurate results, durability, high strength and dimensional accuracy.

About Us

Established in the year **1996**, '**Shree Rushabh Traders**' is well recognized exporters and distributors of a complete range of Measuring Instruments. Sourced from some of the major manufacturers of the industry, the range is appreciated for accuracy in measurements & readings, precision design, durable finish, high strength and a host of other attributes. Owing to our firm commitment to quality, competitive prices and timelined delivery, we have drawn appreciation and trust of clients across the globe. With the aid of rich vendor base and a team of adroit professionals, we are capable of meeting the ever increasing demands of the clients. Comprised of modern machines and proficient professionals, our vendors support us in executing both small and large orders of clients within stipulated time schedules. Fully equipped with sophisticated equipment such as laser interferometer and step gauges, we have been able to evaluate various kind of CMM and provide effective measurement solutions. Moreover, our vendors assist us in offering customized range as per the specific business requirements of the clients. Capitalizing on the ample knowledge of our mentor, '**Mr. Amish Shah**', we have been able to create an enviable position for ourselves in our domain. His extensive industry experience and strong business acumen have helped us in garnering huge client base in national and international market of East Asia, South...
