About Us

Shree Akshaya Security Solution is a **Sole Proprietorship** based company, which came into being in the year **2006**. Our office is located at **Coimbatore, Tamil Nadu (India)**. We are **manufacturer, trader and supplier** of **CCTV Camera, Surveillance Camera. Metal Detector, Access Controller, Electronic Safe** and many more. Also, we are highly applauded for offering trustworthy **Installation Service** and **Maintenance Service** to the customers. Our products are precisely designed by highly trained and experienced employees keeping the specific customers' demands in mind. We incorporate latest designs and modern methods of production to cope up with the rising industrial challenges as well as the upcoming expectations of customers. Also, our company has adopted specified quality testing measures, in order to ensure making the supply of error free and quality approved assortment in the market. Along with advanced and qualitative products range, we also ensure to make them available at client place within promised time frame.

Mr. D. Dhanapal is a person, who has led the organization growing and attaining a distinct niche in industry. He is the honorable **Proprietor** of our organization and with his sharp business intelligence, administrative qualities, farsightedness and years of experience in the respected domain, he enabled us establishing strong foothold in industry. Our company is blessed to have...
