<https://www.indiamart.com/shreekalkajitextiles/>

We are one of the leading trader of yarns & threads such as metallic nylon yarn, gassed cotton yarn, raw silk yarn, polyetser yarn, etc. These are available in different material choices as well as finish specifications demanded by the clients.

## About Us

Established in the **year 1982**, at New Delhi, India, we “**Shree Kalka Ji Textiles**” are leading traders of a wide variety of yarns and threads such as silk embroidery thread, cotton bamboo yarn, viscose weaving yarn, ply acrylic yarn, cotton thread, embroidery threads, hand embroidery thread, metallic embroidery thread, metallic thread, nylon thread and many more. These are available in different material choices including polyester, cotton, embroidery, nylon, silk and others. We can also offer these in different finish specifications as demanded by the clients.

A proprietorship company, we have with us around 30 years of industry experience in meeting the demands of all types of yarns & threads. Procured from quality conscious manufacturers, these are available in varied finishes as per emerging demands of the market. The complete product range offered by us includes Polyester threads, cotton threads, embroidery threads, nylon yarn, silk yarn, polyester yarn, cotton yarns. Our extensive knowledge of the industry as well as close association with quality conscious manufacturers also allow us to also undertake the production on contract basis in customer's specified finishes.

Headed under the leadership of **Mr. Ashok Kumar Gupta**, today, our consistency in delivering offered range of yarns and threads as per emerging industry standards has also helped us to successfully meet the demands of textile industries. Further...
