<https://www.indiamart.com/shreenathjewellers/>

Our company has marked a remarkable position in industry by processing, supplying, exporting and importing a unique blend of Precious Stones, Gemstone Bead and many more. By providing qualitative products, we have expanded our export market.

## About Us

We, **Shreenath Jewellers** is one of the nation's premier **processor, supplier, exporter and importer** of a comprehensive range of **Precious Stones, Semi Precious Gemstones** and many more. We are a **sole proprietorship** firm, established in the year **2000**. For processing our range, we use latest production methods and techniques through which, we have successfully marked our name in the list of top-notch organization. Besides, we source material from the most reliable and certified vendors of industry, who are selected after careful surveys by our experts. In addition to this, we have adopted varied quality policies and guiding principles, with the help of which, we ensure to supply error free products in the market. Besides, we provide customization solution according to the specific requirement of clients. Our ethical business policies, implementation of latest production technologies, quality approved range and cost effective solutions have assisted us in establishing desirable position in the industry.

Our company's entire operations are efficiently carried out under the astute guiding principles of our **owner's son Mr. Rajesh Khandelwal**, who has assisted us in acquiring desirable status in the industry. With his visual approach, excellent managerial skills and rich industrial expertise, we are successfully catering to the ever changing requirements of the clients. We boast of robustly constructed...
