About Us

Shree Textiles was established in the year 2002. Since our inception, we, Shree Textiles are one of the reckoned Manufacturers of Nylon Fabrics and Polyester Fabrics in Kota. Our offered range of products are Dipped Nylon Tyre Cord Fabric (DNTCF), Polyester Twisted Cord For PVC Braided Pipes. Further, our products are manufactured using premium quality raw material which is procured from the reliable vendors in the market. We have hired a team of committed and experienced professionals, which enables us to attain maximum client satisfaction.

Moreover, we have employed quality controllers, who check the products at each and every stage to deliver world class products at our clients' end. Also, our professionals keep regular coordination with our customers' in order to meet their required demands as per their specifications. Owing to the immense knowledge and experience, we are able to carve a niche for ourselves across the market.
