## About Us

Founded in the year **2014**, we “**Shri Ganpati Industries**” are renowned **Manufacturer** and **Supplier** of high quality range of **Sheet Metal Component**, **Composite Container** and **Corrugated Box**.

Under the headship of our Mentor “**Mr. Aditya Tomar**” we have been able to meet the several needs of various industries. Situated at **Ghaziabad (Uttar Pradesh, India)**, we have constructed an ultramodern and robust infrastructural base that assists our team members in the production of qualitative range of products as per the industry set standards. This unit comprises of sub- units such as procurement, R&D, admin, sales, quality testing, production, transportation, logistic, warehousing, packaging and many more. All these units are well armed with all the essential machines and the latest equipments. To control all these sun-units in a planned and organized manner, we have recruited a team of deft and veteran professionals. Moreover, we have gained the trust of the customers across the nation due to our ethical business policies, reasonable rates, client-focused approach, swift delivery and positive records.

By following global quality standards, we manufacture these products with utmost care from quality assured raw material and sophisticated technology. Our offered products are highly acknowledged among our clients due to their features like perfect strength, precise design, simple usage, light weight,...
