

Shri Krishna Industries

<https://www.indiamart.com/shri-krishnaindustries/>

We are a reliable printing service provider and manpower consultancy offering our customers with domain specific services. With extensive market knowledge, we are proficient in fulfilling the requirements of various industries.

About Us

Established in the year **1998**, “**Shri Krishna Industries**” is a leading and well known **Printing Service Provider** and **Manpower Consultancy**. All our endeavors are aimed towards bringing able candidates for the organizations who are searching proficient employees. Moreover, we provide end-to-end solutions to our clients as per the requirements of their particular domain. Apart from this, our solutions are highly appreciated and regarded by the customers and candidates for our abilities to provide prompt, efficient and most suitable results. We understand that hiring the correct workforce is the first step that places the foundation towards their journey to success. Hence, we take our job very serious and provide our customers with world class solutions in the most professional and satisfactory manner. We follow a systematic and step-by-step approach in delivering all our solutions. Our team of dexterous, innovative and qualified professionals understands the exact needs of the customers in terms of technical and non-technical. Thus, they ensure to properly understand the clients' requirements and then search candidates, who can match up with the profile. After matching up the employees' profile with the employers' requirements, our experts suggest candidates for the particular post. Our suggestive candidates are enthusiastic, hardworking and trustworthy and thus, our clients can hire them without keeping any doubt...
