About Us

Shri Gopal Gum Industries was established in the 1964. Our company is one of the leading manufacturer, distributor, wholesaler, retailer and trader of Guar Gum Powder, Guar Gum Splits, Tamarind Gum Powder (TKP) and CMT Powder. Our promoters were Late Shri B. G Varma & Late Shri Pawar Gamnaji Bheraji. Since then we have grown in a very big and reputed unit. We have been serving our customer from last some years with complete satisfaction. We command a high reputation worldwide for quality products, efficient services and level of reliability as a stable supplier of quality products in guar gum industries. We here give great importance to quality. Packaging of guar gum is done in such a way that it preserves the highly delicate product in good condition for a long time.

The manufacturing facilities at our industries are modern and highly sophisticated in order to maintain high level of quality required for food industry. A modern quality control laboratory for testing the physical, chemical, and microbiological standards, of the product operates round the clock monitor and control quality during production. We also have HSCCP, GMP, ISO 22000 certificates and we maintain these regulations. Each and every batch that is dispatched from the factory is tested and certified. We looks forward to playing a major role in setting industry standards and leading the way in maintaining quality standards and reliability of supply in a highly volatile market.
