About Us

Commenced in the year **1976**, **Shri Mahalakshmi Chemicals** is a leading **manufacturer, trader** and **supplier** of products in the market. We are based out as a **Sole Proprietorship** firm and located our operational head at **Chennai, Tamil Nadu (India)**. Our company is affianced in offering wide gamut of **Metal Paste, Polyester Putty, Auto Body Filler, Surface Filler, Car Patch Putty** and **General Purpose Resin**. Our company manufactures the entire range as per the guidelines laid in the industry. We have hired a team of dedicated and devoted staff that put their best while performing the business activities. Our recruited staff makes sure that the products are manufactured by using latest technologies and quality material in order to deliver the best in the market. Owing to our dedication and devotion to provide quality-assured products in the market, we have developed a separate quality controlling unit, where these products are tested thoroughly. Leveraging on our team of logistic personnel, we are able to dispatch our product-line on-time to the customers' place. By offering superior quality range in the market at competitive leading prices, we have created goodwill in the market. Under the headship of **Mr. R. Sreedhar (Proprietor)**, our company is emerging as one of the leading industry in the market. While executing the business related tasks, he makes sure that the operations are carried out in a...
