## About Us

**Shri Rala Agro Bio Tech** came into existence in the year **2010** and has since garnered the market's ever-growing demands with prompt response. Located in **Rajasthan** we have emerged as the leading firm in **manufacturing and supplying** for Aloe Vera products such as **Aloe Vera Pulp, Aloe Vera Leaf, Aloe Vera Plant and Aloe Vera Juice**. Every single product is manufactured to perform with utter reliability, through which we have successfully harvested the support and faith of a vast clientele. Our assortments have found application in many parts all over the country. Our sole intention is to deliver the most premium form of Health Care Products. We desire to serve with health care to our entire clientele. We spend laborious efforts in research and formulation towards the manufacturing of every single product. We formulate our products using the best standard of raw materials that are procured from our own organic aloe vera farm. They are processed with modern techniques to ensure the respective qualitative aspects. Plant and herbal extracts are carefully prepared and refined to remove unnecessary toxins. Our excellent workforce handles and monitors the manufacturing process back at the facility. We employ personnel who are diligent and have acquired adequate knowledge in the field of herbology. The finished products are packaged to protect them from dust, pollution and heat, thereby, preserving their natural properties and increasing shelf life....
