We are specialists in the manufacture and supply of Stamps and Common Seals. We manufacture a variety of products varying in needs and specifications.

## About Us

We established ourselves as an organization under the name, **Shruti Prints**, in the year **2003**, as a leading manufacturer and supplier of Stamps and Common Seals. Our high reputation within the industry is preceded by the manufacture of an exceptional range of products including Acrylic Stamp, Dater Stamp and Dura Series Stamp Mount. Our consistent efforts lie in ensuring unfaltering production with regard to quality and detailing. Our aim is to provide our clients with the best products available in the market while maintaining a supply for their unique requirements by providing customizable solutions to their pertaining needs. We make it a point to ensure complete fulfillment to f our client's requirements and yearn to uphold the trust they bestow upon us.

Our organization is situated within an infrastructural base of unmatched standing. Designed to facilitate unhindered flow of production, our organization is segregated into various departments varying depending on specific roles and responsibilities. Our employees work within a chain of command to help facilitate organized flow of work in an officiated manner. Our design and graphics division helps our client design a printable logo or font, which is then processed onto the manufacture of custom made stamps. We pay strict attention towards detailing and ensure remarkable outcomes within our ranges of products. Our efforts in maintaining unmatched services in our daily biddings have earned a huge...
