We are a prominent organization involved in manufacturing, supplying and exporting a wide range of Designer Laces. Unmatched in quality, our products are available in various styles, designs and color patterns.

About Us

Established in the year **1980**, we “**Shyamal Laces India**” are engaged in manufacturing, supplying and export **Designer Laces**. Our products are offered in a variety of designs, patterns and designs. With the variety of range available, we also give consideration to our customers, demands and provide them the products according to their needs and requirements. We have a dynamic approach towards our manufacturing of products, as we believe in offering products of international quality standards. Employing advanced machinery and technology, we strive to streamline the production process and cutting down the cost of manufacturing. This helps us in making available our entire range at affordable prices. We hold years of experience in the industry which has gained us optimum knowledge and information about our product. Our organization is headed under the able guidance of our owner, “**Mr. Parimal. J. Jariwala**”, who is a expert in this line of work. It's because of his knowledge, dedication and support that we have garnered a huge list of clients in Indian Subcontinent, East Asia, Middle East and South East Asia.
