About Us

Incepted in the year **2010**, at **Surat (Gujarat, India)**, we “**Shyama Shyam Trendz Pvt. Ltd.**” are a prominent **manufacturer, exporter and supplier** of a comprehensive array of **Digital Printed Fabrics, Fancy Sarees, Designers Sarees and Designer Digital Printed Fabrics**. The offered products are widely acknowledged among clients for their contemporary design, fine stitching, skin friendliness and shrink free nature. These products are designed using premium quality yarns under the control of our skilled experts who have immense knowledge in this field. In order to suit the variegated needs of our customers, we offer these products in numerous designs, colors and prints. Additionally, we use latest technology to design these products in complete accordance with the international quality norms. Our skilled quality auditors monitor the entire production stage right from the sourcing of factor inputs till the final delivery of each range. The entire range is sternly checked on variegated measures using the best testing tools and apparatus by our quality controllers to deliver flawless range at clients’ premises. We are offering these fabrics and sarees to our valuable patrons at the most reasonable rates. We have constructed a huge manufacturing department that helps us to undertake bulk consignments of customers. Our state-of-the-art infrastructure is spread over a wide area. To function in an efficient way, we...
