## About Us

Established in the year **2000**, we, “**Siddharth Plast**”, are one of the leading manufacturers and suppliers of a comprehensive range of **PET & Plastic Products**. Apart from this, we provide **Plastic & Injection Moulding** services to fulfill the needs and demands of our prestigious customers. All our products are available in different sizes, necks, colors, designs and volumes for meeting the requirements of the clients. In addition to this, we design all the products in compliance with international quality standards and undergo stringent quality checks to assure zero defect. We manufacture all the products at our in-house manufacturing unit, which is equipped with latest technology and machinery. Our unit is manned by highly qualified and trained professionals, who have great expertise in material selection, mold designing and product designing. They use all the available resources and enable us to deliver all the products within the scheduled time. In addition to this, our professionals help us in rendering designing services as per the needs of our clients for winning their confidence. Under the leadership of our mentor, “**Mr. Siddharth Gupta**”, who has rich experience in this domain, we have carved a niche for ourselves in the market. His ethical business policies, sound strategies and customer centric approaches have enabled us to muster a huge client base, which includes **Godrej**,...
