Sidhi Enterprises

<https://www.indiamart.com/sidhi-enterprises/>

We are manufacturer and supplier of a wide gamut of magnets and magnetic equipment, products including alnico ring magnet, ferrite ceramic magnet, neodymium magnet etc. These are known for their high efficiency & longer service life.

About Us

Established in the year 2006, at New Delhi, India, we “Sidhi Enterprises” are providing a wide range of alnico magnets, slinky spring, vernier caliper & laboratory equipment. Although we are new in this business domain of manufacturing these magnetic equipment, yet we have been able to achieve a commendable success continuously. This has further allowed us to export our products to major markets like Central America, North Europe, Middle East, South America, South/West Europe, South East Asia and North America. Apart from this, we also offer ferrite magnet, neodymium magnets, mariner's compass, laboratory glassware, scientific instruments and glass ware & plastic ware. Our organization came into existence in 2008 after taking over our parental company which was engaged in manufacturing magnets since 1977. Today, we are capable to deliver all types of magnets as per the requirements of our clients. We have been constantly growing under the able guidance of our CEO, Mr. Amit Mittal, who has a rich industry experience and an indepth knowledge in this business domain. His excellent leadership qualities have enabled our team members to provide best quality equipment.
