About Us

Sigachi Industries Private Limited was established in 1989. We are Manufacturer, Exporter and Supplier of Micro Crystalline Cellulose, Filter Aid Cellulose, Hydrochloric Acid, Chlorinated Paraffin Oil etc. Sigachi is a professionally managed company with a team of technocrats, well qualified and richly experienced in the field of Pharmacy Excipients, Cellulose Based Filter Coatings, Plasticizers and Chlorinated Synthetic Resins. Sigachi was incorporated in the year 1989 to produce Chlorinated Paraffin & Hydrochloric Acid and then added another product Micro crystalline Cellulose in the year 1995. Sigachi is strengthening its business periodically by rapid expansion with an optimistic vision towards new business goals. Sigachi has got ISO 9002 Certification in 1996 and then received four Prestigious National/State awards for its Outstanding Performance and Quality.

Sigachi has received Innovation Award for MSME 2011. This award is constituted and supported by National Science and Technology Development Board (NETEBD), Department of Science and Technology. Sigachi has established itself as a quality conscious and dependable supplier in India and across Asia, Australia, American Continent, Europe and Middle East. The Leadership in the industry is cemented by the fact that in the last three years, Sigachi has more than tripled its manufacturing capacity of Cellulose based products. To meet the growing demands from Customers Sigachi started a new plant in Jhagadia,...
