About Us

Security Steel Door Frame are made from Heavy guage elector-galvanized steel sheets. They are multi-fold stronger then wooden frames, extremely difficult to break in. They are specially designed to emulate the goodness of wood in terms of elegance while maintaining the strength of the frame. The special coating on the steel provides natural wood look and guards the frame from external weather conditions. The Security Steel Door Frame look like wooden door in elegancy, Tough, Secure, Custom sized, Water Resistant, Eco-friendly, sound & noise proof being PUF filled, strong enough to protect against burglary & conserve natural wood. RCC Door Frame: There are really no better choice for enduring performance of RCC Door Frame. They are Termite, corrosion and weather proof and also fire resistant made from the richest concrete mix with smooth finish and easy to assemble. Modular Kitchens: The Carcass are made of Pre-Laminated white 18mm particle board or ply with lamination. The Membrane shutter are made of imported 18 mm thick Board with imported PVC foil in wood Grain finish and many more shades. Hardware like handles, Hinges and other accessories are of premium Quality.
