We are one of the prominent manufacturer, supplier and exporter of a stunning collection of designer sarees and lehngas. Our collection is widely appreciated for its elegant designs, excellent craftsmanship and perfect finishes.

## About Us

Established in the year 2004, we, **Silver Saaffron** are a new contender in the world of fashion. We are engaged in manufacturing, supplying and exporting an enthralling collection of skilfully crafted exclusive Designer Sarees & Chaniya Cholis. Unmatched designs, innovative patterns, exquisite craftsmanship and vibrant color combinations have made our range easily distinguishable in the market. In order to secure a prominent position in today's highly competitive market, we need to keep pace with changing market trends and growing fashion demands. For the same, we have equipped ourselves with a state-of-the-art infrastructural facility. Our infrastructure is facilitated with advanced machinery that is proficiently operated by skilled professionals. These professionals are the biggest asset for our firm, whose expertise and experience enable us to scale new heights in the industry. We have achieved a benchmark in the industry by timely delivering quality assortment of garments. Further, we also successfully handle contract manufacturing and provide designer services along with customization options. At present, we are efficiently exporting our range to the Indian Subcontinent. **Mr. Thakrasi Bhai**, the mentor of our firm, is the man behind our phenomenal success. His visionary guidance, ethical business principles and dynamic leadership are the driving forces that are leading us towards excellence.
