Simola Vitrified Private Limited

<https://www.indiamart.com/simola-vitrified/>

We are ranked among the eminent manufacturers and suppliers of an assortment of Vitrified Tiles. This range of tiles is highly appreciated for its high mechanical strength, resistance to stains & scratches and slip resistance.

About Us

Established in the year **2010**, “**Simola Vitrified Private Limited**” is ranked among the reputed manufacturers and suppliers of an expansive spectrum of **Vitrified Tiles**. This entire range of magnificent tiles is manufactured using premium grade raw material, which is sourced from reputed vendors of the market. Manufactured using latest machinery, these tiles are admired for their attractive appearance, splendid finish and high strength. The tiles that we offer are widely demanded in both residential and commercial sector. Our organization is being supported by the technical collaboration with the world leader “**SACMI**” of Italy, which has ceramic manufacturing units, since the year 1990. Leveraging on this backing, our firm has current production plan of 10,000 M2 ultra tech **Vitrified Tiles** per day and reserves an expansion capacity of more than 30,000 m2 per day in the near future. We are known as a quality-conscious organization, which understands the specific needs of our clients and offer our products in compliance with the specifications laid by the customers. Backed by a sound manufacturing unit, we are able to complete the hefty client's order within specified time frame. We encompass a vast and commodious warehouse, which is provided with ample storage capacity for storing the products with optimum safety. Owing to our strong financial position, ethical business practices and transparent dealings, we...
