We are an authentic manufacturer and supplier engaged in offering a wide range of Paper & Paper Plates. Our products have attained a lot of appreciation among clients owing to their fine finish, design, water resistance and light weight.

About Us

Founded in the year **2001**, we, '**Singla Enterprises**', are a reputed manufacturer and supplier of an extensive range of **Paper Plates & Sheets**. Our organization had done its successful journey with due immense appreciation. With our uncompromising attitude towards quality of products and focus on the main aim of customer satisfaction, we have attained a respectable position among our clients.

Since our inception, we have been working with one dream that is customer satisfaction and as we are going ahead by fulfilling this dream, we are incorporating particular features in our products. The products made by us offer unmatched features like eco-friendly, tear resistance, fine finish, durable design, vibrant color combination and waterproof. We are modifying our plates and sheets as per the needs and specifications of our clients and as per industrial quality standards with the help of our craftsmen and designers. Our organization has a standard total quality management system to examine the quality in our products. The plates and sheets offered by us are examined on various parameters by our quality experts at each stage. We have developed under the guidance of our mentor, '**Mr Naveen Singhal**', who is known for his rich experience and entrepreneur skills. He is the source of inspiration for our organization, which has offered us success in our field.
