## About Us

The 21st Century will be Asia's century, and particularly, Sino- India (China & India). No serious business can afford to ignore the tremendous opportunities and challenges provided by the World's fastest growing economies. Zaka Worldwide Ltd. is your Sino- India Consultant for your product needs for export /imports. Our experience and expertise in Project management consultancy, manufacturing, engineering, trading, negotiation, market research and analysis in Sino-India business makes us uniquely qualified to provide China- India consulting service for any product and project requirements. One of the major challenges organizations face when dealing with Sino-India lies in the vast cultural and language differences. Sino-India Business Consulting is helping worldwide companies to overcome these hurdles in order to ensure their success in the Sino-India markets.
