

# Sitson India Pvt. Ltd.

<https://www.indiamart.com/sits-onindia/>

We are an ISO-9001 certified manufacturer, supplier and exporter of Industrial Boilers, Soot Blowers and Air Pollution Control Equipment. In addition to this, we also efficiently undertake Co-Generation Projects for our clients.

## About Us

Established in the year **1978**, we, “**Sitson India Pvt. Ltd.**,” are one of the well-reckoned manufacturers, suppliers and exporters of Boilers, Water tube boiler, Soot Blowers and Air Pollution Control Equipment. Strategically located at Dombivli (Maharashtra, India), we are an ISO-9001 certified company. We are also engaged in undertaking big and small Co - Generation Projects. All the products we offer are widely demanded by our clients based in Indian Subcontinent. We have adopted the most viable business plans and strategies for surviving in the corporate world. Our company is registered under National Co-operative Development Corporation, New Delhi, and is well-approved by the Indian Boiler Regulation for manufacturing Boilers. Besides, we are registered with National Co-operative Development Corporation for the purpose of supplying, erection and commissioning for complete sugar plant on turnkey basis. Furthermore, our sister concern M/s Sitson Process Control Systems Pvt. Ltd. is a prestigious company engaged in the field of instrumentation and electronics. This company has engineered, supplied and commissioned a number of projects, which require DCS system and automation.

Our organization is empowered by a sophisticated infrastructure, which helps us precisely develop the products. We are one of the fastest growing companies, which is highly recognized for excellence in workmanship, material, finish and technical aspects of the...
