## About Us

**SKM Group** commenced its operations in the year **1969** as dealers of ferrous and Non-ferrous Metals. Over the years, the group has diversified into various business activities group. Engaged in manufacturing, import and trading in diverse fields the groups corporate philosophy of bringing the word closer through distribution of quality products worldwide, is a dream turned to reality. With the rising economy and demand for product **SKM** further strengthened its horizons and a new division under the name and style of **SKM STEEL LIMITED** was formed. Today the company has its own production facility in India which is functional round the clock in producing non-corrosive stainless steel products of the finest quality.

**SKM steel** has won a number of prestigious awards for exports excellence from EEPC (Engineering Export Promotion Council) India. It is also a government recognized **EXPORT HOUSE** with an **ISO: 9001-2000** Certificate for industrial excellence to its credit.

With continuous R&D and a strong emphasis on quality, the highest award that SKM has earned within a short span is customer Satisfaction.' As one of the most reliable sources of quality products in the domestic and international market's has a growing customer base in Brazil, Canada,Denmark, Dubai,France, Germany, Indonesia, Iran, Italy, Israel, Korea, Netherland, Poland, Taiwan, Thailand, Turkey, U.K., U.S.A., and Vietnam.

The group's benchmark of...
