## About Us

Incepted in the year **2011** in **Ahmedabad (Gujarat, India)**, we "**S K Pump Industries**" are a well-established organization engaged in **manufacturing** and **supplying** a comprehensive assortment of **V4 Submersible Motor, V6 Submersible Motor, V4 Submersible Pump, V6 Submersible Pump, V7 Open Well Submersible Pump**, etc. The offered pumps are highly suitable for providing water supply in various domestic, industrial, fountains, ponds and gardens and other similar applications. Our offered pumps are available in different models that are used for several deep bore-well applications. Under the supervision of our **Owner "Mr. Mehul Patel"** we have created a sophisticated niche for ourselves in this highly competitive market. His brilliant managerial skills and zeal towards attaining the organizational goals within the deadline have enabled us to muster a large number of loyal patrons in our clientele. Owing to our fair business practices, timely delivery, client centric approach and competitive pricing structure, we have been able to gain maximum satisfaction of our esteemed clients.

By strictly following the predefined quality standards, we are providing an extensive gamut of pumps. The offered pumps are highly demanded in the market for their features like rugged design, noiseless operation, water lubricated bearings, smooth functioning, leak proof joint, sand mud proof design, etc. These pumps are manufactured by our skilled...
