We **Sky Autotech** are the leading **Manufacturer And Exporter** of an extensive array of, **Wheel Aligner, Wheel Balancer, Nitrogen Tyre Inflator, Washing Hoist, Two Post Lift, Scissor Lifts, Tyre Changer Machine**, etc.

About Us

Sky Autotech, a professionally accomplished **Manufacturer And Exporter** firm was established in **2010**, with a foresight to produce the groundbreaking grade of **Wheel Aligner, Wheel Balancer, Nitrogen Tyre Inflator, Washing Hoist, Two Post Lift, Scissor Lifts, Tyre Changer Machine, Gas Recovery Machine** and much more. The reason that we enlisted ourselves amongst the most encouraging competitors prevails in our offered range of products that assist a complete bunch of advantageous features such as superior accuracy, greater strength, the dimensional accuracy with precisely designed user-friendly controls and cost effectiveness. We ascribe our success to our clientele that showed unswerving faith in our products.

We exercise a business policy based on our dedication to quality, which is envisioned to be the industry precursors. To make the necessary production viable, we are developing our infrastructure by supporting the leading technology. Our manufacturing capacities are lined up with the latest machinery that equips us to accomplish high-speed production. Furthermore, we engage a team of highly endured professionals making endless efforts to produce results beyond perfection. Our expertise has impelled us to an assuring position where we concentrate on delivering innovation and tailor-made solutions to meet the anticipations of our esteemed clients.

Our leader and mentor, **Mr. Dipak Barot** served us in a direction that...
