# Skytech Kitchen Equipment Co.

<https://www.indiamart.com/skytechkitchenequipmentco/>

We are engaged in **Manufacturing And Importing** the a-1 Quality **Food Kitchen Equipment, Food Kitchen Equipment etc.**

## About Us

Since our inception **2014**, we "**Skytech Kitchen Equipment Co.**", are recognized as noteworthy **Manufacturer And Importing** of a broad assortment of **Food Kitchen Equipment, Food Kitchen Equipment etc.** These products are designed and fabricated using high grade components and latest technology in conformity with defined quality standards. The entire range is highly demanded in the market for its high strength, easy installation, ability to withstand harsh condition and longer service life. We offer these kitchen equipments on customize basis to meet the exact needs of the clients. The complete range is monitored on various parameters by our quality controllers at our quality testing unit.

Situated at **New Delhi (India)**, our firm has set-up a sophisticated infrastructure facility that is provided with modern machines and equipment. In order to maintain smooth business operation, we have segregated our infrastructure into different departments such as manufacturing, quality control, etc. Due to this infrastructural unit, we have been able to meet the ever- evolving needs of the clients in a scheduled time frame. In order to maintain the consistency in quality of these products, we have set-up a quality testing unit that is manned by experienced professionals. Owing to our ethical business policies, prompt delivery, competitive price structure and client-centric approach, we are constantly increasing a long list of...
