# SM Auto Stamping Limited

<https://www.indiamart.com/smautostamping/>

We are an ISO/TS:16949-2009 certified manufacturer and supplier of a wide range of Automotive Components. These products are highly appreciated by the clients for their excellent impact resistance and durability.

## About Us

Established in the year 1996, we, “**SM Auto Stamping Private Limited**”, are a trusted **ISO/TS:16949-2009 certified** organisation known for manufacturing and supplying a quality-assured range of **Automotive Components**. In our range of products, we offer **Sheet Metal Pressed Parts, Clutch Disc, Clutch Bell Washer, Clutch Socket, Clutch Cover, Automotive Link**. In addition to this, we offer **Automotive Housing, Automotive Bracket** and **MUV Components**. The range of products is manufactured using high-grade raw material like copper, SS & mild steel and others, sourced from some of the certified and renowned vendors of the market. Moreover, we employ latest technology & methodology and most advanced machinery for designing, manufacturing, testing and packaging these products. We make sure that all our products are made in compliance with the international quality standards. Our product range is widely appreciated in the market for its corrosion resistance, dimensional accuracy, durability and high tensile strength. Additionally, we offer **SUV Components, Automotive Stampings, Auto Stamping Parts, Sheet Metal Pressed Parts** and **Engine Mountings** to the customers. Our product range is made available in varied sizes, grades, surface finishes, designs and other specifications so as to suit the variegated needs of the clients. Moreover, we offer customisation facility to meet the exact requirements of the...
