

# Snehal Plastic

<https://www.indiamart.com/snehal-plastic/>

We are one of the foremost manufacturers and exporters of an extensive array of engineering and agricultural components. Our range is appreciated for its high quality, dimensional accuracy, durability and high structural strength.

## About Us

Established in the year **2006**, “**Snehal Plastic, Rajkot**” is a professionally managed organization engaged in manufacturing and exporting comprehensive range of Engineering and Agricultural Components. Manufactured in compliance with defined industry standards, the range is acclaimed across the globe for its dimensional accuracy, precision design, high strength, corrosion resistance and durable finish. Our constant quest for innovation and determination to excel has helped us in successfully meeting the clients’ demands. Backed by a team of expert professionals and sound manufacturing facility, we have been able to meet even the bulk demands of the clients within given time frame. Together with the expertise and advanced facilities, we are also capable of customizing the range as per the specific industry and clients’ requirements. Our strong emphasis on quality, backed by a highly talented team, has enabled us to establish a successful track record to maintain cordial and long term relationships with some of the major players as our clients. Under the able guidance of our mentor, ‘**Mr. Ramesh**’, we have carved a niche for ourselves in the domain. His vast knowledge and rich industry experience have helped us in expanding our client base not only in domestic, but international market of **Indian Subcontinent**.
