

# Topcon Sokkia India Private Limited

<https://www.indiamart.com/sokkia-india/>

We are one of the eminent manufacturer, exporter, distributor, trader and supplier of a broad range of precision surveying instruments. In addition to these, installation and operational training for the same products.

## About Us

Incorporated in **1996** at Noida,(Uttar Pradesh, India), we Topcon Sokkia India Private Limited, are one of the leading manufacturers, traders, distributors and suppliers of a superior quality range of Precision Surveying Instruments. In our product range, we offer Total Stations, Level Instruments, Construction Laser Instruments, Digital Theodolites and DGPS Receivers. Owing to our extensive infrastructure, we, a limited liability firm has been able to manufacture and export our products within the promised dates of delivery. Additionally, we also make sure that before supply, each product is suitably inspected so that no flaws occur at the clients' end. Our moral business policies and quality aware mindset has made us one of the preferential names in the market and has enabled us to earn a turnover of 40 crores (400 million INR) annually. Under the professional supervision of our mentors, we have achieved a distinctive position in the industry. His devotion and unperturbed focus has enabled us to meet the precision instrument needs of industries both inside and outside the country.
