We are a renowned suppliers and traders of Acrylic Sheets, Rods, Tubes and Manufacturers of custom designs in Acrylic. These products are highly acknowledged for their quality, strength and durability. We offer very high quality to price ratio.

About Us

Established in the year **1980**, **Somya Creations** is a prominent firm which believes in causing quality and not controlling it. Growing from a very humble beginning, today we are among the best fabricators of acrylic in Karnataka. We have carved a niche in the market by offering not only quality products to the clients but by providing them solutions and thereby moving ahead from customer satisfaction to customer delight. Under the able guidance of our mentor, **Mr. Rakesh Bhargava who is also the founder**, we have established a strong foothold in the market. His motivation, transparent business dealings and scintillating trade decisions have enabled us to achieve new horizons of success.
