About Us

Established in **1992**, we, "**Sonal Adhesives Limited**" are one of the largest manufacturers and exporters of BOPP Self Adhesive Tapes in India. Our products are well accepted worldwide. Marketed under brand name SONAL, our tapes are approved and preferred all over because of our competitive pricing and dependable quality and service. We can supply all kinds of BOPP Self adhesive tape in various thicknesses, colors, plain/printed in Jumbo rolls of all widths and slit rolls as per your requirement.

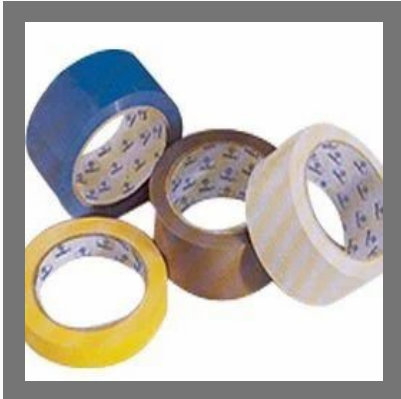

Sonal Adhesives Limited is also manufacturing a complete range of adhesives and emulsions for various applications. They include all kinds of adhesives used in the sticker, label and lamination industries and Acrylic emulsions which are used as paint binders, textile binders, wood working adhesives and also as water proofing chemicals. Other products manufactured and exported are synthetic ropes, twines and strappings. Our products are exported all over the world including countries like the UK, the USA, Russia and many countries in the Middle East and the African continent.
