

Sony International

<https://www.indiamart.com/sony-enterprises-mumbai/>

We are one of the trusted manufacturer, supplier, wholesaler and retailer of a quality range of paper envelopes, bags and boxes. These products are also available in customized forms as per the details specified by the esteemed customers.

About Us

Established in the year **1985**, we, '**Sony Enterprises**', are instrumental in manufacturing, supplying, wholesaling & retailing a wide range of **Paper Envelopes, Bags & Boxes**. The range of paper products is manufactured by the team of our professionals. These professionals understand the market demand and offer the products accordingly. We manufacture these products using quality raw material in compliance with the international quality standards. Moreover, we customise these products as per the details specified by our clients. Owing to its reliability, excellent tear strength, smooth finish, elegant design and stylish looks, the range is widely appreciated in the market. We have a well-equipped infrastructure, equipped with all the modern amenities that helps us in manufacturing the range of products with perfection. Further, the entire products range is manufactured by employing latest technology & machinery. We strive to offer maximum client satisfaction by catering to the needs of printing & packaging, corporate, banking, hotel industry and small scale sectors in the best possible manner. Owing to our wide distribution network and efficient logistic personnel, we make sure to deliver the products within the stipulated time frame via cargo and road. Moreover, our clients can make payments through cash, cheque and DD. Under the able guidance of our mentor, "**Mr. Imtiyaz K. Ansari**", we...
