## About Us

**Sophia Exports** was incorporated as a **manufacturer, supplier and exporter**, in the year **1999**. Over the years, we are engaged in offering a comprehensive array of **Burnt Horn Buttons, Wooden Shawl Sticks, Wooden Buttons, Wooden Crochet Hooks, Wooden Knitting Needles and others**. We manufacture our range using premium quality raw material, which make them highly preferable in the industry. Quality raw material is sourced from the reputed vendors of industry, who hold respective place in the industry for providing better quality material. Our products' quality is checked on various parameters before we make their delivery in the market. For this, we have also undertaken several quality measures that have been recommended by the industry. Known for their matchless features such as perfect finishes, precise designs, dimensional accuracy and others, our products are hugely demanded by large clientele that spread across the country. Our company has earned immense appreciation in the market and earned respectable position by performing whole operations under the prudent guidelines of our commendable proprietor **Mr. Jameel** and **Mrs. Roushan Jameel**. With their sound business expertise, business ethics, outstanding administrative qualities and foresightedness, we have been able to place its name in the list of top-notch organizations of industry. Our company has set-up an advanced infrastructure, which comprises all...
