Exports of industrial goods, industrial instruments, industrial equipments and industrial machineries.

About Us

M/s. Special Instruments Consortium (India) Pvt. Ltd. (SICIL) has its roots deeply embedded in the sales and service of Instruments in the area of Life Science for the last 33 years. SICIL was formed in 2009 and is an offshoot of the erstwhile Company M/s. Special Instruments Consortium (SPINCO) that was incorporated in 1982 to cater to this field and was a pioneer in this line of business in India.

The Company is managed by 2nd generation entrepreneur and its Managing Director Mr. Sethuraman Ramgopal, who is a qualified electrical engineer with more than 15 years professional experience in this business. Mr. Ramgopal was formerly the Executive Director responsible for Customer Support in SPINCO since 2000 until that Company's dissolution in 2009 and is also the son of the founder of SPINCO, Mr. Gopal Sethuraman.

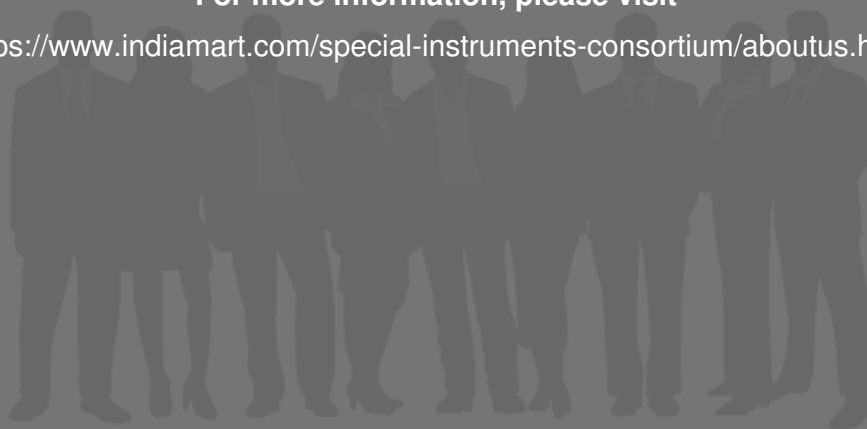

While SICIL is the Company that is responsible for marketing and sales of the products, its associate and group Company M/s. Spinco Life Sciences (India) Pvt. Ltd. (SLSIPL) that was also formed in 2009 and managed by the same Management provides after sales services and support to the Customer.

Also part of the Group is the manufacturing Company M/s. Jaguar Instrument Technologies Pvt. Ltd. that specializes in manufacturing analytical instruments, details of which are available in the website www.jaguarin.com

The Group represents & promotes some of the leading products from across the world among the Scientific &...
