

Spig Cooling Towers India Private Limited

<https://www.indiamart.com/spig-cooling-towers/>

We are a wholly owned subsidiary of SPIG Italy, engaged in design, engineering, project management, manufacturing, supply and erection, commissioning of a wide range of cooling towers, air cooled condensers and global services.

About Us

Established in the year **1936**, we '**SPIG**' are engaged in **Manufacturing, Supplying** and **Exporting** a wide spectrum of **Cooling Towers and Air Cooled Condensers**. These products are immensely acclaimed in the market for their attributes like precision engineering, low maintenance and easy installation. Our expertise also lies in rendering **Global Services** to the clients. We have our Head Office in Arona (**ITALY**), where the operation headquarters are also located. Besides, we are also facilitated with two warehouse facilities in Cormanico and Besenzone (Milan hinterland). Our local offices are based in India, Germany, Romania, Russia, Turkey, Dubai, USA & Brazil. We have our production facilities based at Brazil and India. Moreover, our business is operated from Europe and other parts of the world. We have set up sophisticated infrastructure facility, which is supported by a team of highly-qualified, multi-disciplined engineers, technicians and draftsmen. They carry out all the tasks starting from designing, engineering, production, project management, erection and commissioning of the offered Cooling Towers and Air Cooled Condensers. Our expertise also lies in offering turnkey solutions like installation, operational support and maintenance for these products.
