We are one of the foremost **Manufacturers** and **Suppliers** of high quality assortment of **Water Treatment Plant**. Our product range is highly appreciated for its high quality standards, reliable performance and durability.

## About Us

Established in the year 2011 at Ludhiana (Punjab, India) we, "S.R Beverages," are one of the leading manufacturers and suppliers of Water Treatment Plant. In our product Range, we provide Reverse Osmosis System, Packaged Drinking Water Plant, Water Softener, Filtration Plant, D.M Plant and Effluent Treatment Plant. Our product range is manufactured in compliance with international quality standards under the supervision of our experienced professionals using high grade raw material that is sourced from some of the trusted vendors of the industry. Our product range is extensively used for reducing the levels of volatile organic chemicals, chlorine, and other taste & odour causing compounds. Further, we also provide our clients broad spectrum of unique Water Purification, Softening, & Filtration Systems servicing the Residential, Commercial, and Laboratory Markets. We are backed by well established infrastructure and team of professionals that enable us to offer our clients premium quality assortments as per their specifications. In our team, we have employed dedicated and qualified professionals, who have years of experience in the field of water treatment industry. Quality controllers of our team inspected the entire product range to ensure a flawless product range. Our product range of purifiers and softeners are available at competitive prices in the market to our privileged customers across the global with all modes of payment.
