We are one of the topnotch traders in the field of food agro, household and industrial items. The entire range we deal in is procured from reliable vendors across the country ensuring that they are at par with international standards.

## About Us

With a view to counter the challenges of the competitive industry, we “**Sri Balaji Impex**” are one of the professional firms engaged in trading of food agro, house hold and industrial items. Under the profound guidance of our chairman, **Mrs. Shivani**, we have been monitoring tremendous growth and have emerged as one of the global leader in the concerned sphere.

We strive to cater to a diversified clientele having varied taste preferences and hence we continually try to implement improvisations in our existing range of products. We manufactures stainless steel rods, cpvc pipes, electrical cables, industrial nuts, indian pulses, dry chillies, fresh fruits, pure ghee, etc. The range is procured from various Indian markets and is exported to **Srilanka, Maldives** and is also supplied in the country.

Our devoted and persevering professionals keep on exploring new frontiers to give the best quality products to our esteemed customers. Our quality policy is at par with international standards and we preinspect our range at manufacturer’s end so as to avoid any discrepancies at the time of delivery or dispatch. By tracking all these things in mind, we have been able to carve a niche in the competitive market.
