<https://www.indiamart.com/srisainath-enterprises-hyderabad/>

Our company is involved in **manufacturing, trading and supplying of Bitumen Emulsion, Diesel Oil, Rubber Processing Oil, Automobile Oil and many more.** Also, we render Oil Recycling Services and many more.

About Us

Sri Sainath Enterprises was established in the year 1980, under the leadership of **Mr. Nanu Ram** at **Hyderabad, Andhra Pradesh**. Since then, we have been involved in **manufacturing, supplying** and **trading** high rated petroleum oils and other oils. Our product range includes **Bitumen Emulsion, Diesel Oil, Rubber Processing Oil, Automobile Oil, Petroleum Base Oil, High Grade Bitumen, Furnace Oil** and many more. Moreover, we render **Oil Recycling Services** and **Oil Testing Service** to our customers. Offered products are widely used in various industrial operations and other general purposes. These are made from best grade material, which assure the production of supreme final oils. Owing to our vast experience, technical expertise and state of art infrastructural facilities, our company has grown manifolds leaving its competitors far behind. The quality control mechanism enables us to maintain the continued supply of superior products to market. Our products are ranked very high by the major market analysts who have placed us among the luminary petroleum products and oil manufacturers from Hyderabad. Also, we have been successfully satisfying our customers since the time of our establishment through our products, effective business policies, client centric approach and transparent business deals. Moreover, our company has achieved a remarkable position in the industry due to the contribution of our **manger, Suresh...**
