About Us

Established in the year **2006**, '**SS Aircon**' is well-settled business organization involved in trading and supplying **Air Conditioners, Water Coolers and Dehumidifiers**. We also offer **Repairing Services** for the AC's and a user manual as a part of our after sales program. Our business associates are **Videocon, Mitsubishi, Pioneer, Blue Star, Pioneer** and **Sitaram**. Across the domestic market, we have been won immense credibility as a sole proprietorship firm. We trade and supply our products all over **Andhra Pradesh** only.

Having the best of expertise available with us, we are able to trade in products and offer services for such an extensive product line. On the basis of the requirements detailed, we can offer customized packaging for our product too. With the help of the user manual, one can easily install and get familiar with functions. We also conduct rigorous quality tests on the products with our high-end testing facilities. We keep our deals simple with payment terms such as D/A, D/P and T/T (Wire Transfer). Moreover, as per the convenience, our customers can pay through cash or cheque. Realizing the value of time, we have developed a vast transportation network through cargo and road. We are able to position our firm amongst the topnotch companies through the efforts of '**Mr. Kappera Sreekanth**'. He is familiar with the market functioning and...
