<https://www.indiamart.com/sselectricals/>

We are one of the foremost manufacturers, exporters and suppliers of a vast assortment of electrical parts, accessories, switches, hooters, solid state buzzers, pilot light, push button, etc. These are valued for the utmost quality and durability.

About Us

Established in the year 1978, at **Delhi (India)**, we “**S. S. Electricals**” are the reputed **manufacturer, exporter and supplier** of **Electrical Parts and Accessories** like **Switches, Hooters, Solid State Buzzers**, etc. Provided products are accessible in various models and specifications. Our offered products are extensively used in residential and industrial sectors for different electrical applications. These are acknowledged for dimensional accuracy, low maintenance cost, longer life, etc. Bestowed with the sophisticated manufacturing facility that is equipped with all the recent machinery, we are able to cater our products according to the recent market trends. We have a team of highly talented professionals who lead us to accomplish the precise requirements of our customers. Our firm is also backed by a team of quality supervisors to conduct the testing of products as per the global quality parameters. These products are accumulated safely in our well-developed warehousing facility and are packed using the premium quality packing material. Due to our continuous efforts, it is possible for us to relish with the satisfied list of customers. Under the capable leadership and valuable guidance of our mentor “**Mr. Hari Pal Singh**” we have become successful to carve a niche in the industry. His profound industry expertise enables us to achieve our set organizational goals. It...
