# Camii Multi Inc

<https://www.indiamart.com/ssfabrications/>

We are manufacturer and supplier of a wide range of S.S. Catering Counters, S.S. Commercial Kitchen Equipment, S.S. Doors & other Architectural Systems. These are known for features like excellent polish, longer service life and less maintenance.

## About Us

Established in the year 1975, at New Delhi, Delhi, India, we “**Camii Multi Inc**”, are a renowned manufacturer and supplier of a wide range of **Stainless Steel Doors, S.S. Tables, S.S. Showcases, S.S. Gates and other Architectural Systems**. These products are in accordance with the defined industry standards and thus ensure the longer service life. Since these are manufactured using premium grade stainless steel these remain new for many years & also in less maintenance cost. The entire production process is supervised by our team of expert engineers. In addition, our quality controllers also inspect these products at various production stages. We have advanced manufacturing unit which is well equipped with latest machinery and tools that enables us in flawless production of these products. Guided by our CEO, Mr. G. S. Bhatia, who has 38 years of experience in this domain, we are able to achieve the aim of providing quality products. Further, he follow ethical business policies, which has enabled us to strengthen our business and grow in this industry.
