

AGS Foods India Private Limited

<https://www.indiamart.com/ssmpl/>

We are the prominent manufacturer, trader and exporter of a wide range of Agro Products. These are acclaimed for their safe consumption, longer shelf life, high nutritional value and hygienic packaging.

About Us

Established in the year **1930**, we “**Sita Shree Marketing Pvt. Ltd.**”, are the prominent trader and exporter of a wide range of **Agro Products**. Our wide range includes **Coriander Seed, Cumin Seed, Green Moong Beans, Red Kidney Beans, Barley and Yellow Maize**. In addition, some other products are **Chick Peas, Soya Chunks, Whole Wheat Flour, Semolina** and many more. Their raw material is produced from the most reliable vendors of the market, which are admired for their high quality. Our vendors check the products on various quality testing parameters and then deliver only those products, which meet the international quality standard. Our products are safe to consume and have high nutritional value. Further, these are hygienic and offer longer shelf life to the clients. Furthermore, our professionals are sincere & dedicated towards their work, which has assisted us in developing and maintaining a huge client base. Our employees believe in developing long lasting customer relationship by utilizing their creative power and excellency. We safely store our products in our in-house warehousing & packaging unit. The products are divided into various categories and are stored accordingly so as to remove any sort of confusion. We have developed a respectable reputation in the market, because of our mentor, “**Mr. Piyush Garg**”, who holds years of experience in this field. His ethical business policies...
