

Star Embroidery, Mumbai

<https://www.indiamart.com/star-embroidery/>

We are a preeminent organization engaged in providing Hand Embroidery Services. Through our adequate workforce and technologies, we offer best-in-class and reliable services to our clients in timely manner.

About Us

established in the year **1970**, we, “**Star Embroidery, Mumbai**” have been serving our clients with **Embroidery Services**. The embroidery services, we offer, add rich and elegant look to the fabric. We offer matchless designs with varied color combinations that hold the attention off the viewer. These services are available to the clients as per their requirements in cost-effective manner.

We are supported with skilled and experience personnel, who put all their efforts in meeting the exact requirements of our clients. They are well versed with all the technologies and machines that are used to offer best quality Embroidery Services. Further, we maintain quality in all our business operations so as to achieve utmost satisfaction of our patrons.

With the continuous efforts of our mentor '**Mr. Mudassir Khan**', we have been able to maintain our successful market position since our inception. His ethical business policies and norms have helped us in gaining the trust of our esteemed patrons.
