Starmed Health Care Private Limited

<https://www.indiamart.com/starmedhealthcare/>

We are the leading Manufacturer, exporter, supplier, trader and importer of Hospital Accessory, Medical Equipment, Medical Mask and many more.

About Us

Starmed Health Care Private Limited has established itself on the most paramount status of all pharmaceutical firms present on the face of the industry. The private company came into existence in the year **2008** and has since garnered the market's ever-growing medical needs and demands with prompt response. Located in **Chennai, Tamil Nadu**, we have emerged as the leading firm in **manufacturing, exporting, supplying, trading, and importing** a medical catalog with several medical appliances, devices and utilities, such as **Hospital Accessory, Medical Equipment, Medical Mask** being the chief category. Every single product is manufactured to perform with utter reliability, through which we have successfully harvested the support and faith of a vast clientele. Our assortments have found application in many clinics, hospitals, educational institutions and other medical practitioners all over the country. Our major markets are **Nigeria**. We formulate our products using the best standard of raw materials that are procured from the most reputed vendors in the market. They are processed with modern techniques to ensure the respective qualitative aspects. The devices are assembled and calibrated to be sensitive as to show the sensitive readings with utmost accuracy. To make sure of sound build and precise make, the entire manufacturing process is rigged under the thorough scrutiny of several quality checks and parameters. This helps us...
