Manufacturer and retailer of pressure test kit, clamps etc.

About Us

Originating and located in Werdohl in the German Sauerland region, we have become an internationally leading developer, manufacturer and supplier of pipework components and hydraulic accessories acting under the brand name STAUFF. More than 5 decades of experience, highly motivated and qualified staff, state-of-the-art manufacturing technologies and a foresighted management give us the reputation of being a competitive partner. Our in-house laboratories carry out constant tests in line with international standards on all products. Certified in accordance with EN ISO 9001:2000, our quality assurance system continually strives for perfection. Our well-stocked warehouses and flexible production lines ensure prompt reactions and short delivery times. Represented by a tight network of distributors and wholly-owned manufacturing facilities, distribution bases and warehouses in 14 countries worldwide, we are also close to you. Our subsidiaries also supply additional retail products related to the hydraulics industry, thereby offering a near-complete range of industry-specific key products.
