<https://www.indiamart.com/steelindiamarketing/>

We **PEB STRUCTURAL INDUSTRY** are the **manufacturer, trader & wholesaler** of Roofing Sheets, Purlins, solar structures, foundation bolts, sag rods, brace rods, structural steel & more.

About Us

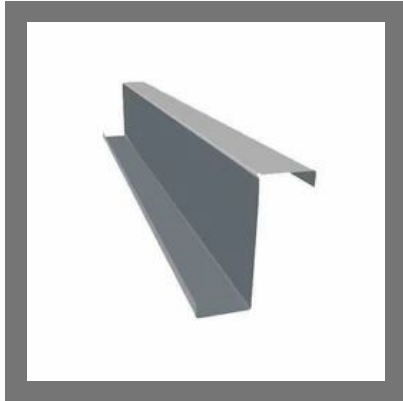

PEB Structural Industry is a well-known name in the current Indian market scenario. We are a reputed company which **manufacture, trade, wholesale of Steel Pipes, Steel Tubes, Roofing Sheets, Roofing Sheet Accessories, Industrial Ventilators** & many more. We started our eventful journey in the year **2008** and during this short but eventful path, the time has shown us the graph of success to us. And fortunately, we are still rising and improving day by day. We are a Sole Proprietorship Company. Our company has a very diligent workforce and a very skilled team. It consists of about 11-25 people. All our employees are very much disciplined and very much devoted to the work they do. Our annual turnover of 50 Crore -100 Crore INR speaks for itself about the trustworthiness our customers have on us. It is surely a sign of our brilliant success throughout all these years. We are very much fortunate to have **Mr. Ravi Kanth Tavva**, our **Manager** to lead us on the right path throughout all these years. His very much effective policies to run this company and his business strategies always provide the needed inspiration to all the employees of our company to work more devotedly. He is a constant reminder of the perfect leader that every company should possess. **Mr. Tavva** promises a very smooth as well as a very successful journey during the years ahead. He is currently improving our current production techniques to make them more...
