

# Enviro Solid Resilient Tyres

<https://www.indiamart.com/sterling-rubbers/>

We are amongst the prominent manufacturers, exporters and suppliers of an exhaustive range of **Truck Tyre and Forklift Tyre etc.** They are demanded for their improved rolling resistance and flexible cushioning effect.

## About Us

Established in the year **1985**, we, “**Enviro Solid Resilient Tyres**”, have emerged in the market as one of the top-notch manufacturers, exporters and suppliers of an exhaustive range of **Truck Tyre and Forklift Tyre etc.** Our array of these is acclaimed in the market for its improved rolling resistance, flexible cushioning effect and extended serving life. These Tyres are recognized in the market for their wear & tear resistance and oil & heat resistance. We have been endorsing our range under the brand name of "Solid Lift". Accredited as a privately held corporation, we have successfully catered to the growing demands of our clients from the automobile industry. Our procurement agents approach only the certified vendors for acquiring quality tested raw components like rubber. Due to this reason, we have been able to manufacture an impeccable range of products. These products are chiefly fitted in pallet trolleys, reach trucks, baggage trolleys, forklift trucks, internal port trailers and GLAMA charger. We have a vast manufacturing department that can facilitate production of up to 50 tons per month. Apart from this, we have segregated our premises into units like mixing, building and mounding & curing. To meet with the requirements of the client, we use molds that range from 400×8 to 12×20 in various tread patterns

Our quality testing unit is provided with the...
